Mr. Phillip Delamarter,  
2109 Eleanor Pl.,  
Cincinnati, Ohio,  
Dear Mr. Delamarter;

My wife and I came through Cincinnati about a month ago and I found your name in the phone directory.

I have had this same name over 70 years and about 12 years ago I became curious about our ancestors and I have done considerable research of the family since.

My father was born in Bradford Co., Pa., in 1853 and his family had lived in Delaware and Broome Counties, New York.

His original ancestor, in this country, was CLAUDE who came to this country from Amsterdam, Holland in 1652.

Would you have any interest in the family genealogy? If so I would gladly exchange information with you at NO charge.

I hope I may hear from you in the near future.

Yours Sincerely,
