The Gospel Wagon

In 1914, there was a traveling Gospel Wagon in Elmira, New York led by a Rev. Eugene Delamarter.

The meetings were attended by Mr. Delamarter who founded the mission and originated the Gospel Wagon from which he and a party of Elmira men conducted open-air religious meetings.

The Rev. Mr. Davis preached the first sermons from the wagon and later the contrivance was given him by Mr. Delamarter for use of the Bible School students.
