

Harbor Point Club House
Harbor Springs
Michigan.

July 5th, 1922.

Dear Wife: -

Well! we got here just great last Fri. nite at about 11 o' clock. It is just as wonderful up here as ever. There are dandy girls and the hours surely are easy. Only I can't seem to get on to waiting table here very well. The kitchen service is so much different than it was at Colonial. I write as well never have served.

The weather certainly has been great here. Altho it has been a little bit cold, I like it. However, it is

much too cold to go swimming,
and enjoy yourself.

Did you celebrate the
Fourth yesterday? There
was a regular old-fashioned
time in Harbor Springs. We
went over a little while ~~but~~
and to the dance at nite
but it didn't seem much
like the Fourth of July to
me.

Monday nite we had
a beach party. Had the
most fun you could
imagine. But then, they
always are fun. And
especially on such a
marvelous beach as this
is.

It surely seems much
longer than a week ago
today that we had the
reunion, doesn't it? It
at least seems a month to
me. Just a week from
today and Don and Sis
will be coming up. I
surely will be glad to
see them.

I received a letter from
mother today, and she
said it was real cool at
home. But it makes it nice
to work.

How is Aunt Ada? I

am so sorry she isn't feeling
well, but I s'pose Louisa
is still at home.

I have to go down to
the Harbor to mail this
so will close. Hope you
can find time to write
soon.

As Ever,
Your Abby
Blanche Gayle.
