Before Christ  
cir. 161. fender of the citizens, both in body and mind, and who continued his love towards his countrymen all his life, commanded to strike off Nicanor's head, and his hand with his shoulder, and bring them to Jerusalem.

31 So when he was there, and had called them of his nation together, and set the priests before the altar, he sent for them that were of the tower,

32 And shewed them vile Nicanor's head, and the hand of that blasphemer, which with proud brags he had stretched out against the holy temple of the Almighty.

33 And when he had cut out the tongue of that ungodly Nicanor, he commanded that they should give it by pieces unto the fowls, and hang up the reward of his madness before the temple.

34 So every man praised toward the heaven the glorious Lord, saying, Blessed be he that hath kept his own place undefiled.

35 He hanged also Nicanor's head upon the tower, an evident and manifest sign unto all of the help of the Lord.

36 And they ordained all with a common decree, in no case to let that day pass without solemnity, but to celebrate the thirteenth day of the twelfth month, which in the Syrian tongue is called Adar, the day before Mardocheus' day.

37 Thus went it with Nicanor: and from that time forth the Hebrews had the city in their power. And here will I make an end.

38 And if I have done well, and as is fitting the story, it is that which I desired: but if slenderly and meanly, it is that which I could attain unto.

39 For as it is hurtful to drink wine or water alone; and as wine mingled with water is pleasant, and delighteth the taste: even so, speech finely framed, delighteth the ears of them that read the story. And here shall be an end.

## Cemetery at Plainfield.

The Cemetery at Plainfield was taken from the Wyer property about 1838-39. The first death in that vicinity was that of a man named Welch from the State of N. Y.

## Plainfield postoffice.

Plainfield postoffice was established about 1837-38 with Emery Beal as postmaster and was kept in the latter house. Mail was brought from Milan (Unadilla postoffice) the route extending from Ann Arbor via Dexter to Unadilla and return.

Some mail was afterwards brought in from Mason Ingham Co.

A tri weekly mail is now received from Fowlerville to Unadilla. In 1853 when Morris Topping established himself in business he received the postmaster which he has since retained.

The present hotel at the village was built in 1876 by Morris Topping. The building is a frame structure and the first regular hotel.

1835-1837

In the meantime Fleet Van Sichel bought land at Plainfield but soon sold to Philip Wyer who became the second settler at the place. Wyer was also from New Jersey and located here in 1836. He and Dunn both kept taverns. The place was originally known as Wyersburg but upon the establishment of a postoffice the name Plainfield was given.

When Fleet Van Sichel sold his place in Plainfield to Mr. Wyer he paid the money to his brother Samuel F. Van Sichel who purchased land southeast of the village where his son Edgar Van Sichel now lives. S. F. Van Sichel came from New Jersey in company with Levi Clawson and after a short stay in Ohio proceeded to Dexter Washtenaw Co. finally locating in Unadilla. One other of his sons David lives near Edgar southeast of Plainfield.

### Morris Topping.

Morris Topping moved to Plainfield 1837 with his father Albert S. Topping. He worked on his fathers farm until 19 yrs old. He taught school three winters. In 1853 he opened a store in Plainfield. 1860 he added to his business the manufacture of staves and barrels. 1867 he erected a saw mill and 1873 a grist mill. Two years later both were destroyed by fire.

There was no Ins. He lost heavily. He soon replaced the mill, He also erected hotel, blacksmith and wagon shop and is now building a large store. He owns  $\frac{2}{3}$  of the village. He was postmaster 25 years  
Census 1874 - 535 males 531 females.
