your work looked swell.
Consider me as a steady

had a lot of trouble from

losing & leaving clothing,
& sending them back dirty.

Dear Mrs. Delamarter,

I expect to be here in the fall and will have you do my laundry. You may use my name as a reference and I will do my best to get as many fellows as I can to send their wash to you.

If it is possible, I would appreciate it very much if I could have this week's laundry on Tuesday night, June 11. If you can't make it by then, please send it to 121 Division Street. If you come to the Dorm Tuesday night, have the fellow buzz me and I will come down and pay you. If you leave the laundry on Division Street, I will send you the money. Thank you.

Yours truly
Ted Banasik

Mrs DeLamarter,

Very sorry I forgot
to leave money for laundry;
have been so busy I almost
forgot.

Wm Schraht

P. S.

I liked my laundry very
much. Be sure and look up
Levy Schraht next year in
either Mason or Albat.

Mrs. Delmaster,

As this is the last bunch of shirts I shall be sending out this year, I wish to thank you for the excellent service you have always given me. I hope that I shall be able to do business with you again next year.

I believe the enclosed \$1.50 will square my bill up all right.

Thanks again,

George Sanderson

Thanks for everything
that you have done for me
this year. I hope you have
a good summer and that I
will see you next year
R. Turkey

Mrs. Delamarter -

I want to thank you
very much for being so
prompt with my last
laundry. I am very well
satisfied with your work.

Thanks again
Grant

Mrs. Delamarter —

I want to thank
you very kindly for
The excellent laundry
service you've given
me all year.

I don't know
whether or not you
deliver to Fraternity
houses, but if you
do - you might let
me know about your
prices when school
starts again this fall.

Grant Turublom

Mrs. Delamarter:

I want to thank you kindly for the laundry this year. Every thing was washed + ironed very nicely. Hope that you have a wonderful summer. Enclosed is 39¢ for last week's bill, which I think straightens every thing up. If it isn't let me know.
