Dear Nubby -

How is everything going? I have been real busy. There has been so much going on and everything. We went to Howell today. The boys came over this evening and Uncle Lynn was coming down and we expected to talk over about renting the farm for another year but Uncle Lynn sent word that he had company come and couldn't come over. The boys have just gone home and it is 9:15 p.m.

I received babies suit O.K. and Dorothy's coat and cap today O.K. but have never gotten my dress!

The notes are coming in real slow. just one paid in full and some have paid just half and want 6 months to a year to pay the rest. I am trying to get things fixed up as fast as possible.

Don't look for me until you see me it may be Sun and it maybe Mon. or later.

Must close

with love Eugenia.

Don't get lonesome
