

Sun afternoon
Dear Eugenia + Charles.

Up from Nap I'll see about Writing to go with Christmas Letter. I got all out this past wk. But Louis + yours + Gordons - I have no address for him. Trust they may send theres to us in time to get one to them.

As you will see our trip to Calif was good + not so - Neil yesterday got out a little drive Car + did couple things. He still tires easily thinks hes strong but soon is sitting or laying. Breaks out in weak sweats.

I started a cold on Tues nite + I am trying to go easy Hoping I won't get infection. I dressed yesterday + today + this A.M.

even though its Sunday I
changed my bed + put out 1
tub of clothes.

Have managed to get our meals
each day + together we've kept
dishes done.

We had a frost this wk. That
blackened our Tomato + Pepper Vines.

Bill brought in a basin of his
Tomatoes + Peppers this noon.

Surprise how many there were
down under the foilage.

I don't know just what I can
do with them But perhaps some
may ripen. I'll have a mess of
Fried ones Green - Had a mess last
wk. They sure taste good.

Thanks for birthday Card + letter.
You note that we had our meal
on board his Ship. Such a treat.
He expects they may return
Oct '71 - That's not definite

Mrs Robb wrote her own notes,
I imagine Mr Lieburns will be
in Zephshills Court. They were
last year just a few wks. But
plan to spend winters there
when he retires.

According to Weatherman + my
letters Mich has had quite a
little snow. Alpena R. 1 was blocked.
Couldnt get out. One family wrote.
^{our} Weather report one nite this wk
said Gr Rapids + Flint had 5" in
4 hr. I believe thats right.

Am sure glad to be where we
are.

Dr Mills where the party was you
recall. Their 2 boys out of service.
One is at home attending U. Other
also attending U. is married. And
daughter was married in Aug.
They are all glad to be in
same Area again.

But sounds like he will be away
Christmas '71. As he says some have
to + so he is doing for our family.
Bob is away for yours. While
Jeans & I are in service for them.

Not many years several of
Louisian Grandsons will be liable
for Service some how -

Dreps sent a card them standing
By some buildings in Russia.
She's retired now.

So I hear you to be Grand
parents again. That should be
fun with a baby again. And
your going to Gordons for Christmas
Nice to have a large home +
convenient.

I'm sorry about Mrs Robb. I
sent letter as always + put to
attention of Agnes. Hopeful if
Ethel not same to know that
family would know. Last year

Lautons wife wrote Peggy had quit
the restaurant there in Danville.
She Leonore is assistant Post Master now.
