

HIS DEATH KEENLY FELT

Nathan Levant Selden Had Many Friends and Acquaintances.

(Contributed.)

Nathan Levant Selden was born in the township of Mundy, September 22, 1885, and died January 8th, 1906, aged 20 years, three months and 17 days.

He was the oldest son of Francis G. and Katie D. Selden, who with two brothers, John and Clarence, four sisters, Anna, Mary, Ruth and Mable, survive him.

He had lived with his parents ever since he was a baby and was hurt in the woods adjoining their farm. He was taken to the old home to pass quietly away without regaining consciousness.

Besides his own family he leaves his grandmother, Mrs. Anna D. Badgley, and numerous uncles, aunts, cousins and friends who will all miss Nathan which ever way they turn.

The funeral was held at the South Mundy M. E. church, conducted by the Rev. E. C. C. Benson, and was largely attended. Interment was made at Mt. Hope cemetery. Time alone will bring to us a true realization of our loss and time alone will furnish a true appreciation of his worth and work. We can only leave him in the hands of a kind and loving Father who doeth all things for our good.
